Any known medical conditions (including any current medication and known allergies) any other factors which the organisers should be aware of.

I agree to my child taking part in the visit to Cambridge University on 19TH Feb 2020 unaccompanied by a parent.

I am aware and agree that my child will travel by coach from Bexleyheath to Cambridge and that the visit will include a tour of the university campus and local town.

I confirm that, to the best of my knowledge, my child does not suffer from any medical conditions other than those listed above.

I authorise the leader of the party, or any other officer representing Kingsgen Foundation accompanying the party, to consent to such medical treatment (including inoculations, blood transfusions or surgery) which in the opinion of a qualified practitioner may be necessary during any period of time during the day of the event when the child is away from direct parental control and

direction. Please tell us the name of the person who will be collecting your child at the end of the trip.
